

ISEA ANNUAL MAGAZINE

INFOSEC DEPOT 2025

Call for Papers / Articles / Short Papers

Submission Period:
April 15th, 2025 - June 15th, 2025

About ISEA

The Information Security Education and Awareness (ISEA) Project, an initiative by Ministry of Electronics & Information Technology (MeitY), Government of India, aims to strengthen cybersecurity awareness and capacity building across the nation. Through initiatives like www.staysafeonline.in, ISEA delivers multilingual content to various user segments including students, women, government employees, and the public.

InfoSec Depot 2025 - ISEA's Annual Magazine

InfoSec Depot 2025 is a premier annual publication featuring expert insights, real-world stories, technical innovations, and emerging trends in Cybersecurity and Information Security. It brings together thought leaders, researchers, educators, and practitioners on a single platform to share knowledge and build a cyber-resilient society.
